

2020 TRAIL Supported Membership Structure

A belief in the strength of diverse communities is integral to TRAIL’s core values. A wide disparity in household income is one aspect of diversity in the Johnson County community, and was the impetus behind creation of TRAIL’s **Supported Membership Program** for low-income individuals and households.

TRAIL’s Supported Membership Program makes Full memberships available to community members who qualify based on their income. All Supported members pay an income-adjusted membership fee, and TRAIL retains the right to make eligibility decisions.

TRAIL gratefully acknowledges the Community Foundation of Johnson County, MidWestOne Bank, Veridian Credit Union, and other generous contributors for their support of this program.

Interested individuals should contact Sue Mellecker, TRAIL’s Member and Volunteer Services Coordinator, at (319) 800-9003 or membersupport@trailofjohnsoncounty.org for more information about Supported Membership qualifications and how to apply.

2020 Supported Membership Fees

Income Level (Income at or below these levels)		2020 Reduced Membership Fee	Membership Fee Levels
