

TRAIL Corporate Sponsorship Program

TRAIL of Johnson County, a membership-based nonprofit headquartered in Iowa City, is our state’s first aging-in-place organization. TRAIL has experienced steady growth since its founding in early 2017, and now serves more than 200 members who rely on our volunteer services, pre-screened service providers, and a full calendar of social and educational events that help our members thrive.

Membership fees account for approximately one-half of TRAIL’s annual revenue; the remainder comes from charitable gifts from individuals and organizations. *Generous support from the local business community plays an increasingly important role in helping TRAIL enhance its member services and maintain its financial stability.* TRAIL’s corporate partners understand the importance of older adults – the fastest growing segment of the U.S. population – in the life and vitality of our community. Ensuring that these individuals can retain their independence for as long as possible, and continue living safely and comfortably in the places they call home, is not just good for TRAIL members and their families – it helps strengthen the fabric of our community as a whole.

TRAIL welcomes gifts of any amount, and offers special recognition to corporate sponsors at the levels summarized below:
